## CENTRAL COAST OPENS NSW DIRT TRACK SEASON

*For immediate Release*

---

Entries for the first dirt track meeting of the season in New South Wales are now open – and it will be something different to fire up the riders and the fans.

The weekend of February 24 and 25 will see the Central Coast Junior Motor Cycle Club staging the 2024 Somersby Super TT meeting at their Somersby track.

There are classes for Pro 250s and Pro 450s, Over 35s and Women as well as junior classes, with the best performers in the Pro 450 class on the Saturday having an added incentive to race for.

On Sunday the club is planning a feature event that will bring together competitors from different disciplines of the sport.

The top duo from the Pro 450 class will take on duos from road racing, motocross, enduro and speedway.

Supp. Regs are out for the meeting and entries for the meeting close on February 16.

For more information riders can contact Club President David Smith on 0412 506503 or Race Secretary Lyndel Butler on 0411 194315.
