Newsletter – August 2011

The Club's EGM was held on Thursday 14th July 2011 with a great turn out at Ourimbah RSL to vote in the committee. Thirteen votes went to David Smith and eleven to Mick Poole. A new committee was formed with the following members elected:

President:	David Smith
Vice President:	Paul Caslick
Treasurer:	Bronwyn Poole
Secretary:	Georgina Fulton
Scoring:	Merryn Blackall
Newsletter:	Toni Gardner

Message from the President:

Well, it has certainly been a very interesting past 3 months and hopefully everything will now be back on track. The club is now moving forward in preparation for the State and National Championships. There are still three committee/working positions available, which need to be filled. These are the track maintenance, speedway and canteen. Please consider supporting your club and putting your hand up for a position, as we need these to be filled in as soon as possible. I look forward to seeing you all at the track soon.

Message from the Vice President:

What an honour and a privilege to be voted into this great club and being able to work with such dedicated and hard working people like David Smith, I look forward to helping the club going forward and being a part of the many activities that have been organised in the next couple months with the NSW and Australian Championships being held at Somersby, Thank you to all those members whom motivated me to put my hand up and become a part of this great club.

Message from the Treasurer:

Thank you to those members whom voted me in at the EGM, the Club's bank balance is very healthy and with no outstanding debts.

Message from the Secretary:

What an overwhelming response and support for me to take on this role. Thanks to all who have supported the club in the past month and half, and for supporting me in my new Challenge.

As a 2011 member please check and make sure your current details are on file, email and mobile numbers are correct, for us to ensure that we can contact you, this can be done at any point score at sign on or via email to ccjmcc@gmail.com.

At the last point score there were 2 ambulances called and we are happy to report both riders were home that same night with no serious injuries. Considering we had 67 juniors, 9 seniors and great weather it was a fantastic result.

Keep an eye on the website for sup regs for the NSW Junior Dirt Track Championships, they will be out soon.

The sup regs are out now for the Dirt Bike Spectacular at Sydney Speedway Parramatta 10th September Day/Night Meeting. Please note that the senior classes have been changed to allow more riding.

If you know of anyone whom wants to join our club and needs the kick-start program completed please contact David to arrange a suitable time.

Some of our members along with Baulkham Hills Motorcycle Club attended a general seminar in July and are now working towards the next stage of completing their official's license. If this is something you would like to do contact myself (at the email above or at the Club), or Sabrina at MNSW to obtain further information, more officials make light work.

As modern technology seems to be the way most people correspond I am in the process of setting up a Facebook account for Central Coast Junior Motorcycle Club Inc., for you the members to receive information quickly.

Reminder from Point Scoring:

Merryn has **AGAIN** requested that all **NUMBERS** are to be on all 3 sides of the bike and on the back of jerseys. Please also ensure your numbers are clean and visible throughout each race meeting. If not you risk loose points if the scorers can't see your number correctly. They are unable to allocate points to a rider if they haven't been able to determine the rider's number.

At the last point score there was an instance of bikes breaking down and bikes were being used by 2 different riders. In future, please see the Clerk of the Course for the rule in regards to this, as Merryn is not the one whom makes the decision to allow.

GENERAL NEWS:

Paul Caslick held a charity dinner for Camp Quality, titled The Dirt Track Legends and what a great night it was. Paul, Melissa and the team that helped them need to be congratulated for the money they raised for Camp Quality and a successful night. It was good to see the riders from yester years and the stories they shared. Well done.

Please ensure that every rider has at least one person to volunteer for a duty at race days. Failure to do so may result in you not competing on the day. You will also need to nominate yourself to do a duty for State and Australian Championships. Choose your nominated duty otherwise one will be appointed for you.

Date of AGM will be made available as soon as possible.

Sponsors are needed for the State and Australian Championships. If you know of anyone who may be interested in being involved as a sponsor please call a committee member or David.

If you did not attend the Minikhana vs Dirt Track day, you certainly did miss a great day. The number of riders was outstanding on the day, and the weather was great. Thank you to Baulkham Hills Mini Bike Club and their members for their participation and great day. Here's a small snippet of the correspondence received from Andrew Brigden – Race Secretary for Baulkham Hills:-

“David / Gina and CC committee On behalf of the committee and members of BHJMTCC I would like to thank you and your club for hosting us on Sunday 7th August. It was a fantastic day and you even did a great job of holding the wet weather back until after we had finished. Since Sunday I have received numerous text messages from our members expressing the enjoyment of the day and thanks to both BH and CC clubs. The feedback I received on the day was great, and we even had a number of parents comment that their kids thought it was the greatest day ever”.

What a fantastic thing for our club as BHJMTCC members have expressed their desire to participate at our venue again. The canteen did a fantastic profit for the day and thanks to those CCJMCC members who attended and helped out.

Regs for both the State and Australian Championships have been submitted and we are awaiting approval. Once this is complete they will be available on the website.

We require people to help run the speedway, so please come forward and volunteer so this can continue.

All the best to the riders who will be attending the Australian Championships at Canberra on 13-14 August. Have fun and ride safe.

We need members to attend seminars to become officials. The club is in need of officials. Please consider getting involved.

A big Thank you must go to Norm Poole, Warren Passfield and Allan Fulton for helping with the maintenance on the water truck and roller, and for attending to the track needs by travelling back and forth in their own time to do these tedious jobs.

Next Coaching clinic is on 21st August if you require coaching please email ccjmcc@gmail.com or contact David Smith.
